Re: Notes from SCARF meeting held January 23, 2008

Date: February 1, 2008

Present: Judge Harcourt, David Griffith, Nancy Gettinger, Mike Murphy, Loretta Oleksy, Jenny Weber, Ann Jordan, Jeff Berkovitz, Leslie Rogers Dunn, Camille Wiggins.

Guest: Stephanie Ives, from Tyler Technologies

1. Ms. Ives presented a demonstration of the JTAC Case Management System, Odyssey. Utilizing the domestic relations case type Ms. Ives showcased various features of case management, namely case connectivity, participant information, and time standards for scheduling of next events. She also explained that there are various levels of access, or "rights", available to users, depending upon their role in the court system. The group was very interested in the data collection aspects of the system, especially as it relates to weighted caseloads and demographics.
2. The next SCARF meeting will be held February 27, 2008. Location TBD. This date is different than the one discussed at the meeting. We actually meet the 4th Wednesday, not the third.
3. The tentative 2008 meeting calendar is as follows:
